PUBLIC NOTICE OF PENDING
KANSAS/FEDERAL WATER POLLUTION CONTROL PERMIT

The Kansas Department of Health and Environment has prepared a draft Kansas/Federal Pollution Control permit for the City of Edgerton to discharge processed wastewater into Big Bull Creek.

The proposed action consists of reissuance of a Kansas/NPDES Water Pollution Control permit for an existing facility. The existing facility is a mechanical wastewater treatment plant. The facility receives domestic wastewater from residential and commercial areas and industrial wastewater from local manufacturers. This permit contains limits for Biochemical Oxygen Demand, Total Suspended Solids, pH, Ammonia, E. coli, Total Phosphorus, Total Nitrogen, and Chronic Whole Effluent Toxicity. The permit contains monitoring for Total Phosphorus, Nitrates + Nitrites, and Total Kjeldahl Nitrogen.

Copies of the Facility's application, draft permit, fact sheet and other pertinent documents may be requested by writing: Kansas Department of Health and Environment, TSS - Permit Clerk, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas 66612-1367 or email at: Jamie.Packard@ks.gov. Persons wishing to comment on the draft permit must submit written statements to the above address by November 14, 2026.

ORDINANCE NO. Z-4422

REZONING NO. REZ2026-00008

AN ORDINANCE RELATING TO ZONING: AMENDING CERTAIN ZONING REGULATIONS SHOWN ON SHEET NO. 09 OF THE ZONING DISTRICT MAP INCORPORATED BY REFERENCE BY OVERLAND PARK MUNICIPAL CODE SECTION 18.150.020; AMENDING OVERLAND PARK MUNICIPAL CODE SECTION 18.150.020, AND REPEALING THE SAME.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF OVERLAND PARK, KANSAS:

Section 1. Amendment of Zoning District Map. The zoning district boundaries set forth on the Zoning District Map, Sheet No. 09, of the City of Overland Park, Kansas, incorporated by reference in the Overland Park Municipal Code, Section 18.150.020, are hereby amended with respect to the following described real property, to-wit:

Lots 1, 2 & 3, Block 6, Elmhurst, a subdivision of land in the City of Overland Park, Johnson County, Kansas.

The real property hereinabove described shall hereafter be deemed zoned and classified as RP-3, Planned Garden Apartment District.

The Zoning District Map, Sheet No. 09 is hereby ordered to be changed to reflect such amendment.

Section 2. Stipulations and Conditions. The rezoning granted in Section 1 of this ordinance is hereby made contingent upon the performance and observance of the following regulations, stipulations, conditions, and restrictions, to-wit:

a. The development shall be in accordance with Exhibit "A" (Site Plan), and Exhibit "B" (Building Elevations), which are filed in the office of the Planning Commission Secretary at City Hall and which are incorporated by reference as if set out in full herein. Provided, subsequent revisions may be made thereto in accordance with the application, notice, and other requirements of O.P.M.C. Title 18. In addition, the development shall follow and comply with all regulations and standards of the City of Overland Park unless specifically exempted by the Governing Body.

b. Development of the site shall be limited to three units. Modifications to the plan and proposed square-footage/units may be allowed per Section 18.140.200 of the Unified Development Ordinance.

c. Prior to the submission of a building permit, the Planning Commission shall approve final development plans.

d. Prior to the issuance of a certificate of occupancy, all rooftop and ground-mounted mechanical equipment shall be screened from view with an architectural treatment that is compatible with the building architecture.

e. The final plan shall meet the requirements of the Architectural Design Standards and Site Design Standards.

f. A deviation is approved from section 18.430.070 to allow a parking setback of less than 30 feet.

g. A deviation is approved from section 18.210.030.B(1) to allow a main structure setback of approximately 5 feet.

h. At the time of building permit review, the applicant shall provide the locations of exterior fire department connections. These connections shall not be obstructed by landscaping, walls, or other barriers and shall meet Section 912.3.2 of the Overland Park Fire Code. These locations are subject to review by the Overland Park Fire Department.

i. This project may qualify for Electric Vehicle and/or Solar Ready Incentives. To qualify for the incentives, the project is required to comply with Appendix CA of the International Energy Conservation Code for solar ready construction and/or Overland Park Amended Appendix CB of the International Energy Conservation Code for electric vehicle ready construction. Please contact the Building Safety Division at (913) 895-6225 for more information.

j. Prior to the issuance of a building permit, the owner shall dedicate an additional 5-feet of right-of-way along the 85th Street frontage.

k. The number, location, and geometrics of all driveways and parking areas are subject to review and approval by the Planning and Development Services Department.

l. Concurrent with the submittal of construction plans for a site development or building permit, whichever comes first, the developer's engineer shall provide a Final Stormwater Management Study that addresses any outstanding items from the Preliminary Stormwater Management Study and includes any design changes. The study shall be approved prior to the issuance of a permit.

m. Prior to the issuance of a certificate of occupancy, all sidewalk ramps in the public right-of-way adjacent to the property shall be constructed or reconstructed to conform with current public sidewalk ramp requirements, including the installation of truncated domes where applicable.

n. Prior to the issuance of a certificate of occupancy, any existing public sidewalk or public trail adjacent to this property that does not substantially meet current City standards or is in poor condition shall be reconstructed to current City standards. The limits of the repair shall be approved by the Engineering Services Division prior to the issuance of a building or site development permit. An alternate route for pedestrian traffic shall be maintained in compliance with Section 13.10.070 of the Municipal Code. In no case shall public sidewalks be closed to pedestrian traffic for a period exceeding 30 days without prior approval from the City.

o. Prior to the issuance of a certificate of occupancy, all new private sidewalks shall comply with the City's standard details for private sidewalks and sidewalk ramps, unless waived by the Director of Planning and Development Services (Section 18.120.015). Noncompliant pedestrian routes shall be clearly identified on the plans and comply with the building code.

p. Prior to issuance of a site development or building permit, whichever comes first, a right-of-way maintenance agreement shall be submitted to the City for review and approval by the Engineering Services Division for any proposed encroachments. The right-of-way maintenance agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

q. Prior to the issuance of a site development or building permit, whichever comes first, the owner/developer shall submit a covenant to maintain private parking facilities agreement for review and approval by the Engineering Services Division. The covenant to maintain private parking facilities agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

Section 3. The Zoning District Map for the City of Overland Park, Kansas, is hereby amended by this ordinance, Ordinance No. Z-4422, said amendment being incorporated by reference pursuant to Section 18.150.020 which is amended to read as follows:

18.150.020 Zoning District Map
The boundaries of the zoning districts enumerated in Section 18.150.010 and in Article 7 of the Johnson County, Kansas, Zoning & Subdivision Regulations adopted herein shall be shown on a map officially designated as the Zoning District Map, which map is hereby incorporated by reference. Such "Zoning District Map" shall be marked "official copy of zoning district map incorporated into the zoning regulations by adoption of a zoning ordinance by the Governing Body of the City on the 5th day of October, 2026," and shall be filed in the office of the Director of Planning and Development Services of the City of Overland Park, Kansas, to be open to inspection and available to the public at all reasonable business hours. Ordinances amending the boundaries of zoning districts shall order the "Zoning District Map" to be changed to reflect such amendment, shall amend this Section 18.150.020, and shall reincorporate such "Zoning District Map" as amended.

Section 4. All zoning ordinances or provisions of the City of Overland Park, Kansas, otherwise limiting the use of the above described real property and inconsistent with this ordinance are hereby repealed. Further, Overland Park Municipal Code, Section 18.150.020, is hereby repealed to allow for amendment to the Zoning District Map as set forth hereinabove.

Section 5. Take Effect. This ordinance shall take effect and be in force as of the date of its passage, approval and publication as provided by law.

PASSED by the City Council this 5th day of October, 2026.

The real property hereinabove described shall hereafter be deemed zoned and classified as RP-1A, Planned Small-Lot Single-Family Residential District; RP-6, Planned High-Rise Apartment District; and CP-2, Planned General Business District.

The Zoning District Map, Sheet No. 76 is hereby ordered to be changed to reflect such amendment.

Section 2. Stipulations and Conditions. The rezoning granted in Section 1 of this ordinance is hereby made contingent upon the performance and observance of the following regulations, stipulations, conditions, and restrictions, to-wit:

a. The development shall be in accordance with Exhibit "A" (Site Plan), and Exhibit "B" (Building Elevations), which are filed in the office of the Planning Commission Secretary at City Hall and which are incorporated by reference as if set out in full herein. Provided, subsequent revisions may be made thereto in accordance with the application, notice and other requirements of O.P.M.C. Title 18. In addition, the development shall follow and comply with all regulations and standards of the City of Overland Park unless specifically exempted by the Governing Body.

b. Development of the site shall be limited to 259,100 square feet of commercial square-footage and 465 residential units. Modifications to the plan and proposed square-footage may be allowed per Section 18.140.200 of the Unified Development Ordinance.

c. Prior to the issuance of a Building Permit, the property shall be preliminary and final platted.

d. Prior to the submittal of a Building Permit, the Planning Commission shall approve final development plans.

e. Prior to the issuance of a Certificate of Occupancy, all rooftop and ground-mounted mechanical equipment shall be screened from view with an architectural treatment that is compatible with the building architecture.

f. At the time of Final Plat, all final plats which have been submitted for approval and which include the proposed greenway linkage tracts shall contain the following language: "The proposed parkland tracts shall be dedicated by subsequent document. Said tract is intended to be used for public open space, natural preservation areas, and for the extension of the Greenway Linkage System, and may include a bike/hike trail. The exact location of the bike/hike trail will be determined in the field at the time of construction. Any prior routing of trails is purely conceptual and does not represent the final location or said trails."

g. Prior to the issuance of a land disturbance or higher permit, the applicant shall meet with the City Forester to discuss specific tree preservation measures to be undertaken

prior to and during construction to preserve identified trees. The construction documents for such permits shall include the recommendations of the City Forester.

h. The final plan shall meet the requirements of the Site Design Standards and Architectural Design Standards.

i. This project may qualify for Electric Vehicle and/or Solar Ready Incentives. To qualify for the incentives, the project is required to comply with Appendix CA of the International Energy Conservation Code for solar ready construction and/or Overland Park Amended Appendix CB of the International Energy Conservation Code for electric vehicle ready construction. Please contact the Building Safety Division at (913) 895-6225 for more information.

j. The number, location, and geometrics of all driveways and parking areas are subject to review and approval by the Planning and Development Services Department.

k. Concurrent with the submittal of an application for Final Development Plan approval, the developer's engineer shall submit a Revised Preliminary Stormwater Management Study that includes additional design details for any associated stormwater detention facility and/or stormwater treatment facility. The study, plan, and calculations shall be approved by the Engineering Services Division prior to the Planning Commission consideration of the Final Development Plan.

l. Concurrent with the submittal of construction plans for a Public Improvement, Site Development or Building Permit, whichever comes first, the developer's engineer shall provide a Final Stormwater Management Study that addresses any outstanding items from the Revised Preliminary Stormwater Management Study and includes any design changes. The study shall be approved prior to the issuance of a permit.

m. Prior to the issuance of Building Permits for any phase of the RP-1A portion of the project requiring stormwater detention, the detention facilities serving that portion of the project shall be certified by the design engineer, a professional engineer, licensed in the State of Kansas. The entire detention facility shall be temporarily stabilized as defined under the Kansas Construction General Permit with perennial vegetation planted. Prior to closure of the Land Disturbance Permit, release of the performance surety for the detention facility and release of a building permit for the last building lot in the phase of the development the basin was installed, the detention facility shall be permanently stabilized with established perennial vegetation with a density of at least 70 percent or fully sodded.

n. Prior to the issuance of a Building Permit for the RP-1A portion of the project, the detention facilities serving that portion of the project shall be constructed and in service.

o. Prior to the issuance of Certificate of Occupancy for any phase of the CP-2 or RP-6 portions of the project requiring stormwater detention, the detention facility serving that portion of the development shall be certified by the design engineer, a professional engineer, licensed in the State of Kansas. Prior to the issuance of Certificate of Occupancy for any phase of the CP-2 or RP-6 portions of the project, the detention facilities serving that portion of the project shall be constructed and in service.

p. Prior to the approval of a Public Improvement Permit for the RP-1A portion of the project, the owner/developer shall submit a Detention Maintenance Agreement for review and approval by the Engineering Services Division. The document shall address future maintenance of the private detention control structure located on the public storm sewer system. The Detention Maintenance Agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

q. Prior to the issuance of a Public Improvement, Site Development or Building Permit, whichever comes first, the owner/developer shall submit a Stormwater Treatment Maintenance Agreement for review and approval by the Engineering Services Division. The Stormwater Treatment Maintenance Agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

r. Any deferred stormwater treatment facilities associated with the RP-1A portion of the project shall be constructed only when 90 percent of the upstream tributary area is permanently stabilized and shall commence within six months following permanent stabilization or when directed by the Engineering Services Division.

s. Prior to the issuance of a Public Improvement Permit for the RP-1A portion of the project, a Performance Surety for the stormwater treatment facilities shall be provided by the owner/developer in accordance with Section 16.210.080.C of the O.P.M.C.

t. Prior to the issuance of a Final Certificate of Occupancy for the CP-2 or RP-6 portion of the project, the owner/developer shall provide a Certification of Completion and Compliance for all constructed stormwater treatment facilities. The owner/developer shall submit a maintenance certification one-year after construction is completed, and every two years thereafter. The certification shall be on a form as approved by the Engineering Services Division and shall be performed by a professional engineer licensed in the State of Kansas unless the Director approves other qualified individuals to perform the certification.

u. Prior to the release of the Performance Surety for any deferred stormwater treatment facilities and prior to the issuance of any building permits for non-deferred stormwater treatment facilities for the RP-1A portion of the project, the owner/developer shall provide a Certificate of Completion and Compliance for all constructed stormwater treatment facilities. The owner/developer shall submit a maintenance certification one-year after construction is completed, and every two years thereafter. The certification shall be on a form as approved by the Engineering Services Division and shall be performed by a professional engineer licensed in the state of Kansas unless the Director approves other qualified individuals to perform the certification.

v. At the time of Final Plat approval for the RP-1A portion of the project, a landscape architect registered in the State of Kansas shall provide a sealed Landscape Plan for the applicable stormwater treatment facilities.

w. Prior to the issuance of a Final Certificate of Occupancy for the CP-2 or RP-6 portions of the project, a Maintenance Surety shall be provided by the owner/developer for the stormwater treatment facilities in accordance with Section 16.210.080.E of the O.P.M.C.

x. Prior to the release of the Performance Surety for any deferred stormwater treatment facilities and prior to the issuance of any building permits for non-deferred stormwater treatment facilities for the RP-1A portion of the project, a Maintenance Surety shall be provided by the owner/developer for the stormwater treatment facilities in accordance with Section 16.210.080.E of the O.P.M.C.

y. Prior to, or concurrent with, the submittal of construction plans for a Site Development or Building Permit for the CP-2 or RP-6 portion of the project, whichever comes first, a separate set of public improvement plans shall be submitted for 168th Street, Lowell Avenue, and Hardy Street. The plans shall be approved and the Public Improvement Permit shall be issued by the Engineering Services Division prior to the issuance of a Site Development or Building Permit. Prior to the issuance of a Certificate Of Occupancy, the public improvements shall be built and accepted for maintenance by the Engineering Services Division.

z. Prior to the issuance of a Building Permit for the RP-1A portion of the project, the public improvements shall be substantially constructed to the satisfaction of the City.

aa. Prior to issuance of a Public Improvement, Site Development or Building Permit, whichever comes first, a Right-Of-Way Maintenance Agreement shall be submitted to the City for review and approval by the Engineering Services Division for any proposed encroachments. The Right-Of-Way Maintenance Agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

bb. Concurrent with the construction of public improvements for 168th Terrace, grading shall match the proposed future grading of Antioch Road at the property line. Additional grading in the right-of-way shall be accomplished to move the existing ditches away from the unimproved thoroughfare and provide shoulder room on the frontage abutting this subdivision. The shoulder and ditch improvements shall include extending the existing storm sewer under Antioch Road as necessary to meet clear zone requirements.

cc. Concurrent with the construction of public improvements for 168th Terrace, Antioch Road along the frontage abutting the plat(s) of this subdivision shall conform to the street overlay and widening requirements, or alternately the voluntary street maintenance escrow equivalent, as provided in Section 18.460.260 of the Municipal Code. If improvements are necessary, the improvement plans shall be approved concurrently with the other public improvements within the subdivision and shall be completed prior to the issuance of a building permit.

dd. Prior to the issuance of a Certificate of Occupancy, all sidewalk ramps in the public right-of-way adjacent to the property shall be constructed or reconstructed to conform with current public sidewalk ramp requirements, including the installation of truncated domes where applicable.

ee. Prior to the issuance of a Certificate of Occupancy, any existing public sidewalk or public trail adjacent to this property that does not substantially meet current City standards or is in poor condition shall be reconstructed to current City standards. The limits of the repair shall be approved by the Engineering Services Division prior to the issuance of a Building or Site Development Permit. An alternate route for pedestrian traffic shall be maintained in compliance with Section 13.10.070 of the Municipal Code. In no case shall public sidewalks be closed to pedestrian traffic for a period exceeding 30 days without prior approval from the City.

ff. Prior to the issuance of a Certificate of Occupancy, all new private sidewalks shall comply with the City's standard details for private sidewalks and sidewalk ramps, unless waived by the Director of Planning and Development Services (Section 18.120.015 of the O.P.M.C.). Noncompliant pedestrian routes shall be clearly identified on the plans and comply with the building code.

gg. Prior to the acceptance of the public improvements for 168th Terrace, the existing drive entrance on Antioch Road shall be removed and the right-of-way shall be restored to City standards.

hh. Prior to the issuance of a Building Permit for the RP-6 portion of the project, an "as-built" grading plan shall be submitted by the owner/developer and approved by the Engineering Services Division.

ii. Prior to the issuance of a Site Development or Building Permit for the CP-2 or RP-6 portions of the project, whichever comes first, the owner/developer shall submit a Covenant To Maintain Private Parking Facilities Agreement for review and approval by the Engineering Services Division. The Covenant To Maintain Private Parking Facilities Agreement shall be submitted to the Engineering Services Division for recording at the Johnson County Department of Records and Tax Administration with the recording fee paid by the owner/developer.

jj. Prior to the issuance of a Building Permit for any non-residential use, the owner and/or developer shall, pursuant to Resolution No. 4797, submit a cash deposit for 38% of the estimated cost of an Intersection Control Device at the intersection of 167th Street and Lowell Avenue. The amount of the escrow payment shall be approved by the Engineering Services Division based upon a cost estimate prepared by a professional engineer licensed in the State of Kansas. The escrow payment shall be deposited with the City's Chief Financial Officer, and shall be placed in an escrow account set aside for a future traffic signal, roundabout, or other traffic control device, including design costs, any required interconnections or other appropriate geometric/traffic control measures at the above referenced intersection.

kk. At the time of Final Plat for the RP-1A portion of the project, the applicant shall work with staff to provide an eight foot multi-use trail on the western side of Lowell Avenue and dedicate any necessary sidewalk easements.

ll. Concurrent with the Site Development or Building Permit for Lot 5, whichever comes first, the easternmost parking located within the right-of-way of the existing access to the eastern adjacent property (Family Tree Nursery) shall be deferred until such time as the right-of-way is vacated.

mm. At the time of Final Plat or Final Development Plan Review, the applicant will work with the City Fire Marshal to ensure that all fire code requirements are met, including necessary secondary, remote access.

Section 3. The Zoning District Map for the City of Overland Park, Kansas, is hereby amended by this ordinance, Ordinance No. Z-4421, said amendment being incorporated by reference pursuant to Section 18.150.020 which is amended to read as follows:

18.150.020 Zoning District Map
The boundaries of the zoning districts enumerated in Section 18.150.010 and in Article 7 of the Johnson County, Kansas, Zoning & Subdivision Regulations adopted herein shall be shown on a map officially designated as the Zoning District Map, which map is hereby incorporated by reference. RESOLUTION NO. 2026 - 054

A RESOLUTION DETERMINING THE ADVISABILITY OF CONSTRUCTING CERTAIN MUNICIPAL IMPROVEMENTS IN THE CITY OF LENEXA, KANSAS, AND AUTHORIZING SUCH IMPROVEMENTS IN ACCORDANCE WITH THE FINDINGS OF THE GOVERNING BODY AND K.S.A. 12-6a01 *ET SEQ.* AND WAIVING THE SEALED BID PROCESS FOR DESIGN AND CONSTRUCTION OF SAID IMPROVEMENTS (99TH STREET AND WOODSONIA DRIVE SPECIAL BENEFIT DISTRICT)

WHEREAS, K.S.A. 126a02 authorizes the governing body of any city to make or cause to be made municipal works or improvements which confer a special benefit upon property within a definable area of the city and to levy and collect special assessments upon property in an area deemed by the governing body to be benefited by such improvements for special benefits conferred upon such property by any such improvements or an area described in a petition submitted in accordance with K.S.A. 12-6a04 (c) and (d) and to provide for the payment of all or any part of the costs of the improvements with the proceeds of such special assessments; and

WHEREAS, the City of Lenexa ("**City**") has approved a Special Benefit District Policy and Procedures setting forth the City's guidelines in establishing a special benefit district. The policy and procedures are set out in the City's Administrative Policies as GB05-C and AD04-B respectively (the "**SBD Policy**"); and

WHEREAS, a petition executed by 100% of the owners (the "**Petitioner**") of all of the property to be assessed (the "**Land**") within the proposed improvement district (the "**Improvement District**" or "**District**"), has been filed with the City Clerk requesting certain improvements be made in accordance with K.S.A. 12-6a01 *et seq*.; and

WHEREAS, in accordance with K.S.A. 12-6a04(c), the petition includes (a) a statement that the signers of the petition are the owners of 100% of the property proposed to be included in the District and (b) acknowledgements that (i) the petition is submitted pursuant to K.S.A. 12-6a04(c), (ii) the proposed District does not include all properties which may be deemed to benefit from the proposed improvements and (iii) the signers' names may not be withdrawn from the petition by a signer after the Governing Body commences consideration of the petition or later than seven days after such filing, whichever occurs first; and

WHEREAS, K.S.A. 12-6a04(d) provides that upon receipt of a petition filed with the City Clerk in accordance with K.S.A. 12-6a04(c), the Governing Body of the City may (a) make findings by resolution as to (i) the advisability of the improvements requested in the petition, (ii) the nature of the improvements, (iii) the estimated cost, (iv) the boundaries of the District, (v) the method of assessment, (vi) the apportionment of cost, if any, between the District and the city-at-large, and (vii) whether the District includes all the property which may be deemed to be benefited by the proposed improvements, and (viii) the willingness of the signers of the petition to pay the costs of the proposed improvements as set forth in the petition, and (b) order the improvements without notice or public hearing; and

WHEREAS, the petition requests that the improvements be made without notice and hearing as required by subsection 1 of K.S.A. 12-6a04; and

WHEREAS, the Governing Body finds it necessary to make its final findings by resolution as to the advisability of the proposed improvements and finds and determines it necessary to authorize the improvements; and

WHEREAS, pursuant to Charter Ordinance No. 52 and Lenexa City Code Section 1-9-B-2, the Governing Body may waive the sealed bid process on public improvements when it deems it is in the best interests of the City to do so; and

WHEREAS, the Governing Body has determined that it is in the best interest of the City to waive the public bidding process on the design and construction of the improvements authorized herein so as to benefit from the efficiencies achieved from the use of the developer's contractors for design and construction of the improvements.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LENEXA, KANSAS:

SECTION 1. The Governing Body finds and finally determines that:

(a) It is advisable to make the following improvements:

Acquisition and construction of:

(1) a collector road referred to as Woodsonia Drive running from south to north along the interior of the Improvement District starting at Prairie Star Parkway and extending southerly a distance of approximately 2,562 L.F. to future 99th Street. Woodsonia Drive shall be constructed at a varying width of approximately forty (40') feet to approximately eighty (80') feet wide from back of curb to back of curb. The construction of Woodsonia Drive shall include the installation of concrete curbs and gutters, asphalt pavement, sidewalks, street lighting, landscaping, a roundabout at Woodsonia Drive and 99th Street, associated utility installation and associated appurtenances;

(2) an arterial road referred to as 99th Street running from east to west along the southern portion of the Improvement District starting at 426 linear feet east of Woodsonia Drive and extending westerly a distance of approximately 1,125 L.F. to Monticello Terrace. 99th Street shall be constructed at a varying width of approximately twenty-four (24) feet to approximately eighty-eight (88) feet wide from back of curb to back of curb. The construction of 99th Street shall include the installation of concrete curbs and gutters, asphalt pavement, sidewalks, trail, street lighting, landscaping, associated utility installation and associated appurtenances;

(3) approximately 2,585 linear feet of storm sewer drainage pipes and related structures (manholes, inlets, detention, etc.) related to Woodsonia Drive and 99th Street and associated utility installations and associated appurtenances

(4) The project, for each of the Improvements listed above, includes, but is not limited to, preliminary and final engineering, property acquisition, environmental review and mitigation, title and survey, staking, geotech including subsurface mine certification associated with the Improvements and mine surveying, water distribution systems, utilities and service connections lying within the curb lines, rock removal, retaining walls, grading, erosion control, construction supervision, testing, bonds, permits and fees, inspections, financing costs such as bond counsel, financial advisor, bond and interest expenses and other related appurtenances.

Collectively the foregoing shall hereafter be referred to as the "**Improvement**". A general depiction of the proposed Improvement is attached hereto as **Exhibit A** and incorporated herein by reference.

(b) The maximum cost of such Improvements is $10,600,000.00 (**"Improvements Cost"**).

(c) The Improvement District in the City to be assessed for the cost of the Improvement consists of approximately 57.37 acres and is legally described on **Exhibit B** attached hereto and incorporated herein by reference.

(d) The Improvement District shall pay 80% of the Improvements Cost, which shall be apportioned among the owners of property within the Improvement District as described in Section (e) below. The City-at-large shall pay 20% of the Improvements Cost. If the actual total Improvements Cost is less than $10,600,000.00, the savings will accrue proportionally to the Improvement District and the City-at-large in the following percentages:

Improvement District	80%
City-at-large	20%

(e) The proposed method of assessment is to assess 80% of the Improvements Cost to all properties within the Improvement District, as legally described in **Exhibit B**, excluding those areas dedicated as public right-of-way, public parks, storm water retention or detention areas, common area to be owned by a homes association, conservation easements, publicly owned easements or similar areas, and such assessment shall be spread equally per square foot over of the assessable area in the District. The proposed term of the Improvement District shall be twenty (20) years.

(f) The Improvement District does not include all the property which may be deemed to be benefited by the proposed Improvement.

(g) The persons or entities signing the petition are willing to pay the costs of the proposed Improvement as set forth in the petition even though all property which may be benefited by the proposed Improvement will not be assessed for the cost of the Improvement.

(h) All properties to be assessed within the Improvement District are specially benefited by the proposed Improvement.

(i) The persons or entities signing the petition to pay the cost of the proposed Improvement requested the Improvement be made without notice and hearing as required by subsection (1) of K.S.A. 12-6a04.

SECTION 2. The Improvement is authorized and ordered to be made in accordance with the findings of the Governing Body as set forth in Section 1 of this resolution. General obligation bonds or notes are authorized to be issued in an aggregate amount not exceeding the maximum cost of the Improvements and the proceeds from such notes or bonds may be used to reimburse expenditures made by the City 60 days before and during the time after the date of this resolution in accordance with United States Treasury Regulation 1.150-2.

SECTION 3. The approved maximum cost of the Improvements is the estimated cost of the Improvements as set forth in this Resolution. The City Clerk shall prepare a proposed assessment roll for the Improvements which shall set forth the proposed maximum assessment against each lot, tract or parcel of land within the District for the Improvements in the manner set forth in this Resolution based on such estimated cost of the Improvements. The proposed assessment roll shall be maintained on file with the City Clerk and be open for public inspection. Following preparation of the proposed assessment roll, the Governing Body shall hold a public hearing on the proposed maximum assessments after compliance with the notice provisions set forth in this paragraph unless said hearing is waived by 100% of the properties and entities signing the petition. Unless the public hearing is waived, the City Clerk shall publish notice of the public hearing at least once not less than 10 days prior to the public hearing, and shall mail to the owner of the property liable to pay the assessments, at its last known post office address, a notice of the hearing and a statement of the maximum cost proposed to be assessed all in accordance with K.S.A. 12-6a09.

SECTION 4. The City hereby waives the sealed bid process for the design and construction of the Improvement authorized herein, as provided by Charter Ordinance No. 52 and Code Section 1-9-B-2, and authorizes staff to negotiate with a contractor(s) for the design and construction of the Improvement.

SECTION 5. This Resolution shall be published one time in the official City newspaper, and shall also be filed of record in the office of the Register of Deeds of Johnson County, Kansas.

PASSED by the Governing Body this 6th day of October, 2026.

SIGNED by the Mayor this 6th day of October, 2026.
