B. **Procedures.**
Except as hereinafter provided, the procedures for Planning Commission and Governing Body consideration of rezoning or special use permit applications shall conform to the procedures set forth in 18.140.120 for zoning text amendments. Prior to submission of the application to the Planning Commission, City staff shall determine whether dedication of right-of-way will be required pursuant to the provisions of 18.400. The Governing Body shall not take action on an original recommendation of the Planning Commission unless the time for filing the protest petition as provided in subsection C has elapsed. Provided, however, that where the right to file a protest petition has been waived in a verified statement signed by all property owners holding such right, the Governing Body may consider the recommendation at any time.

C. **Protest petitions.**

1. A protest petition against any rezoning or a special use permit application shall be filed in the office of the City Clerk not later than the end of the business day (5:00 p.m.) on the 14th day following the date of the conclusion of the Planning Commission's public hearing held pursuant to the publication notice. In order to be considered a "valid" protest, a protest petition must be timely filed and duly signed and verified by the owners of record of 20% or more of the property subject to the application or by the owners of record of 20% or more of the total property within the area required to be notified by 18.140.080, excluding streets and public ways and the property subject to the application when provided for by K.S.A. 12-757(f). Verification of the genuineness and correctness of the signatures on the protest petition, either individually or collectively, shall be made by a person who has signed the protest petition.
   a. Whenever the property owner (and not the City or the County) initiates a rezoning of the owner's property to a single-family residential district *(e.g., RE, RP-OE, RP-OS, R-1, RP-1, R-1A, RP-1A, RP-1N)*, such rezoning application shall require publication notice and a public hearing as required in subsection A, however the application shall not require written notice to surrounding property owners and shall not be subject to the protest petition provisions of this subsection C.
2. The 14-day period for filing the protest petition shall begin with the day following the conclusion of the public hearing before the Planning Commission and shall end at 5:00 p.m. on the 14th calendar day thereafter. For purposes of calculating the 14-day period, weekends and holidays shall be counted. Provided, however, if the filing deadline falls on a weekend, holiday or other non-business day for City offices, then the filing deadline shall be at 5:00 p.m. on the next regular business day.
3. Once a valid protest petition has been filed with the City, it may be withdrawn as follows:
   a. A property owner who has signed a protest petition may withdraw the property owner's name and property from the protest petition by filing with the City Clerk a verified affidavit of the property owner's withdrawal from the protest petition no later than the end of business (5:00 pm) on the third day following the end of the above-described 14-day period. The affidavit shall state and fully explain the rights being waived by the withdrawal. In such event, the protest percentage for the total protest area shall be adjusted accordingly. If the property is owned by more than one owner of record, the withdrawal of any owner shall be sufficient to effectuate the withdrawal under this section.
   b. The entire protest petition may be withdrawn if every property owner who signed the protest petition signs a verified affidavit of withdrawal which states and fully explains the rights being waived by the withdrawal of the protest petition. Such affidavits of withdrawal must be filed with the City Clerk no later than the end of business (5:00 pm) on the third day following the end of the above-described 14-day period.
   c. For purposes of withdrawal, signatures shall not be required of the City where City-owned property lies within the protest area or of entities controlling rights-of-way or utility easements.

D. **Adoption where valid protest petition filed.**
Where a valid protest petition has been filed, an ordinance approving the rezoning or special use permit application shall not be passed except by the affirmative vote of ten (10) or more members of the Governing Body.

E. **Criteria for considering applications.**
In considering any application for rezoning or a special use permit, the Planning Commission and the Governing Body may give consideration to the criteria stated below, to the extent they are pertinent to the particular application. In addition, the Planning Commission and Governing Body may consider other factors which may be relevant to a particular application.

5. The extent to which approval of the application would detrimentally affect nearby properties.
6. The extent to which the proposed use would substantially harm the value of nearby properties.
7. The extent to which the proposed use would adversely affect the capacity or safety of that portion of the road network influenced by the use, or present parking problems in the vicinity of the property.
8. The extent to which utilities and services, including but not limited to, sewers, water service, police and fire protection, and parks and recreation facilities, are available and adequate to serve the proposed use.
9. The extent to which the proposed use would create excessive stormwater runoff, air pollution, water pollution, noise pollution or other environmental harm.
10. The extent to which there is a need for the use in the community.
11. The economic impact of the proposed use on the community.
12. The ability of the applicant to satisfy any requirements applicable to the specific use imposed pursuant to the zoning district regulations or 18.370.
13. The gain, if any, to the public health, safety and welfare due to denial of the application as compared to the hardship imposed upon the landowner, if any, as a result of denial of the application.
14. The conformance of the proposed use to the Comprehensive Plan and other adopted planning policies.
15. The recommendation of professional staff.

No public hearing on any subdivision review and no notice of the meeting at which such matters are considered are required.

B. The Planning Commission shall approve the preliminary plat if it finds that the following criteria are satisfied:

1. The proposed preliminary plat conforms to the requirements of 18.460, the applicable zoning district regulations and any other applicable provisions of the Unified Development Ordinance, subject only to acceptable rule exceptions.

2. The subdivision represents an overall development pattern that is consistent with the Comprehensive Plan and the Official Street Map.

3. The plat contains a sound, well-conceived parcel and land subdivision layout which is consistent with good land planning and site engineering design principles.

4. The spacing and design of proposed curb cuts and intersection locations is consistent with good traffic engineering design and public safety considerations.

5. All submission requirements have been satisfied.

A. The Planning Commission shall act on a proposed final plat within 60 days after the first Planning Commission meeting following the submission of a completed application.

C. Final plats shall be approved by the Planning Commission if it determines that:

1. The final plat substantially conforms to the approved preliminary plat and rule exceptions granted thereto.

2. The plat conforms to all applicable requirements of the Code, subject only to approved rule exceptions.

3. All submission requirements have been satisfied.

D. Following approval of the final plat by the Planning Commission, the final plat shall be submitted to the Governing Body for review of land proposed to be dedicated for public purposes. The Governing Body shall approve or disapprove the dedication of land for public purposes within 30 days after the first meeting of the Governing Body following the date of the submission of the plat to the City Clerk. The Governing Body may defer action for an additional 30 days for the purpose of allowing for modifications to comply with the requirements established by the Governing Body. No additional filing fees shall be assessed during that period. If the Governing Body defers or disapproves any such dedication, it shall advise the Planning Commission of the reasons therefor. No plat shall be filed with the Register of Deeds unless such plat bears the endorsement that the land dedicated to public purposes has been approved by the Governing Body.

E. Upon final approval by the Planning Commission and/or the acceptance by the City Council of dedications, the final plat shall be submitted in a digital format approved by the Director of Planning and Development Services. The digital version of the final plat shall contain as a minimum the requirements set forth in Section 18.140.270. Any final plat not submitted in a digital format will be converted by the City and the cost will be charged to the applicant prior to recording the plat.

F. Final plats shall be recorded with the Register of Deeds within 18 months following Governing Body approval of land dedicated to public purposes. Final plats which are not recorded within said time period shall be deemed null and void.

1. The Director, at the Director's discretion, may grant up to a 1-year extension of time. Consideration for the extension shall be based upon, but not limited to, factors such as whether code or adopted policy changes have occurred that would impact the proposed development and whether there have been any substantial changes to the plat as previously approved.

Section 20. Overland Park Municipal Code Section 18.460.370 is hereby amended to read as follows:

18.460.370 Lot Splits

A. A previously platted lot may be divided as a lot split by either metes and bounds description or by replatting. If such a lot is to be divided by metes and bounds description, it may only be divided one time and by only one new dividing lot line, and shall not again be divided without replatting. Any such lot split need not comply with the procedures set out in this ordinance for platting. All lots produced by a lot split shall conform to all minimum standards of this ordinance and other applicable codes of the City. No building permit shall be issued for a lot produced by a lot split until the lot split has been reviewed and approved by the Director as being in compliance with this ordinance.

B. Lots zoned for industrial purposes may be divided into two or more tracts without replatting such lot. Provided, however, that the lot so produced shall conform to all minimum standards of this Unified Development Ordinance and other applicable codes of the City.

Section 21. Existing Overland Park Municipal Code Sections 18.140.030, 18.140.080, 18.140.150, 18.140.200, 18.140.260, 18.140.280, 18.460.350, 18.460.360 and 18.460.370 are hereby repealed.

Section 22. If any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional, unenforceable, or otherwise void, such decision shall not affect the validity of the remaining portions of this Ordinance and the provisions hereby adopted.

Section 23. Nothing in this Ordinance shall be construed to affect any notice of violation, suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed as set forth in this Ordinance; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 24. This Ordinance shall take effect and be in force as of the date of its passage, approval and publication as provided by law.

RESOLUTION NO. 5157

A RESOLUTION OF THE GOVERNING BODY OF THE CITY OF OVERLAND PARK, KANSAS, OF THE CITY'S INTENT TO ESTABLISH AN ORGANIZED COLLECTION SERVICE FOR RESIDENTIAL SOLID WASTE, RECYCLING, AND YARD WASTE WITHIN THE CITY LIMITS OF OVERLAND PARK, KANSAS.

WHEREAS, the City Council adopted their 2026 Strategic Goals on September 8, 2025, with a priority action of "Conducting a Solid Waste and Recycling Study"; and

WHEREAS, the City completed the Comprehensive Solid Waste Study and presented the results to City Council on May 18, 2026, which showed that residents contracting for their own services are, in some cases, paying more than double what residents in homeowners associations and nearby cities are paying; and

WHEREAS, the Comprehensive Solid Waste Study also noted that 78 percent of surveyed residents were supportive of, or neutral to, City-provided or City-contracted solid waste service as long as service is consistent and affordable; and

WHEREAS, the Organized Collection Service Act, K.S.A. 12-2034, et seq. (the "Act") sets forth procedures to allow a municipality to establish an organized collection service by ordinance if certain procedures are followed, including adoption of a resolution of intent, procedures related to the development of a plan, adoption of an ordinance establishing said service, and implementation of the service; and

WHEREAS, on Monday, May 18, 2026, the City Council unanimously directed staff to "prepare a resolution setting a public hearing and a resolution of intent, related to organized collection services for solid waste and recycling in the City," pursuant to compliance with the procedures of the Act; and

WHEREAS, on June 23, 2026, the City published Resolution No. 5137, providing notice in the City's newspaper of record for a public hearing to be held at the City Council's regularly scheduled meeting at 7:30 p.m. on Monday, August 03, 2026, in the Council Chambers, City Hall, 8500 Santa Fe Drive, Overland Park, Kansas, 66212, said date being at least 30 days prior to consideration of the adoption of the resolution of intent; and

WHEREAS, the public, including all persons interested in the planning and establishment of an organized collection service within the City and all licensees or other persons operating solid waste, recycling or yard waste collection services within the City, were invited to participate in the August 03, 2026 public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF OVERLAND PARK, KANSAS, AS FOLLOWS:

Section 1. Declaration of intent. The City hereby declares its intent to consider adoption of an organized collection service for residential solid waste, recycling, and yard waste within the City of Overland Park by using one or more collectors or an organization of collectors. Provided, this statement of intent does not preclude the City from serving as a collector in the future. The statement of intent also does not obligate the City to pursue a city-wide residential solid waste, recycling, and yard waste system, but it provides notification of consideration of such.

Section 2. Purpose and goals. The City strives to provide affordable, reliable, and equitable services to its residents. An organized solid waste, recycling, and yard waste service within the City of Overland Park will allow the City to standardize the cost of such services to residents, provide consistency in service options, and reduce the number of solid waste, recycling and yard waste collection service trucks on residential streets each week, thus decreasing vehicle emissions, noise pollution and degradation of city streets, and increasing public safety. The City also plans to consider the establishment of a uniform fee system for the collection of said services. Additional goals may be identified through the statutory process and plan development conducted by the City as dictated by the Organized Collection Service Act.

Section 3. Public participation. All interested persons, including all licensees or other persons operating solid waste, recycling or yard waste collection services within the City, are invited to participate and provide assistance in the planning and establishment of the proposed organized solid waste, recycling and yard waste collection service plan, which process shall occur during the ninety (90) days following adoption of this Resolution. Notice of such meetings will be posted on the City's website at opkansas.gov and on the City's online calendar.

Section 4. Public hearing. The public hearing for the proposed plan will be set for February 1, 2027, in the Council Chambers of Overland Park City Hall, 8500 Santa Fe Drive, during normal Council proceedings which commence at 7:30 p.m. The publication of this Resolution shall constitute notification of this February 1, 2027 public hearing.

Section 5. This Resolution shall be published once in an official City newspaper, in accordance with K.S.A. 12-2036.

ADOPTED by the City Council this 14th day of September, 2026.

APPROVED AND SIGNED by the Mayor on this 14th day of September, 2026.
