ORDINANCE NO. SWU-3514

AN ORDINANCE AMENDING THE STORM WATER UTILITY USER FEE ON RESIDENTIAL AND NON-RESIDENTIAL PROPERTY IN THE CITY; AMENDING AND REPEALING EXISTING OVERLAND PARK MUNICIPAL CODE SECTION 15.06.060 AND PROVIDING SUBSTITUTE PROVISIONS THEREFOR.

WHEREAS, in 2001 the City established a Storm Water Utility User Fee in order to help provide for costs to maintain the City's Storm Water Management System, administered by the City's Storm Water Management Program and established for the use and benefit of all developed residential and non-residential properties within the City (as further detailed in Chapter 15.06 of the Overland Park Municipal Code); and

WHEREAS, the Storm Water Utility User Fee is used exclusively for the Storm Water Management System and Program and is calculated to fairly distribute a portion of the costs thereof among all developed properties within the City which generate the need therefore; and

WHEREAS, after due consideration of the recommendations of the Infrastructure Advisory Group and its Infrastructure Program Assessment, as set forth in its report dated July 5, 2022, and the recommendations of city staff, the Governing Body hereby finds it prudent and necessary to increase the established Equivalent Residential Unit Rate in order to better address funding such services.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF OVERLAND PARK, KANSAS:

Section 1. Existing Overland Park Municipal Code Section 15.06.060 is hereby amended to read as follows:

15.06.060 Storm Water Utility User Fee.

A. **User Fee Established**. Subject to the provisions of this ordinance, there is imposed on each Residential Property and Nonresidential Property, other than Exempt Property, property not served or benefited by the Storm Water Management Program or property consisting exclusively of Undeveloped Land, a Storm Water Utility User Fee. This fee is hereby imposed for the year 2001, and each subsequent year on all such property.

B. **Equivalent Residential Unit**. The Equivalent Residential Unit (ERU) is hereby established for purposes of calculating the Storm Water Utility User Fee. The ERU is hereby established to be 2,485 square feet of Impervious Area.

C. **Equivalent Residential Unit Rate**. The ERU rate to be used for calculating Storm Water Utility User Fees for each ERU is hereby established to be $44.00 per year.

D. **Storm Water Utility User Fee for Residential Property**. Subject to subparagraph G below, the Storm Water Utility User Fee for Residential Property shall be the ERU Rate multiplied by the number of individual Dwelling Units existing on the property.

E. **Storm Water Utility User Fee for Nonresidential Property**. Subject to subparagraph G below, the Storm Water Utility User Fee for Nonresidential Property shall be the ERU Rate multiplied by a numerical factor calculated by dividing the total Impervious Area of the property by the number of square feet in one ERU. In performing this calculation, the numerical factor shall be rounded to the nearest whole number. For Nonresidential Property with joint users of common Impervious Areas, the Director shall calculate and allocate the pro rata Storm Water Utility User Fee among the users.

F. **Dwelling Unit and Impervious Surface Calculation**. The Director shall make the initial calculations in accordance with the methods established in this section to determine the number of ERUs located on all Residential Property and Nonresidential Property and may from time to time change this calculation from the information and data deemed pertinent. With respect to new construction, the Director may require that the applicant for development approval submit square footage Impervious Area calculations and/or Dwelling Unit calculations. Any increase or decrease in the ERU calculation for a Residential Property or Nonresidential Property associated with new construction shall commence upon the issuance of the temporary certificate of occupancy, certificate of occupancy or certificate of compliance, whichever is first issued. The Storm Water Utility User Fee shall be based on the status of the property on January 1, 2001, for the year 2001 and upon the status of the property on May 31, for all subsequent years.

G. **Storm Water Utility User Fee Credits**. The Governing Body may, by ordinance, establish a system of credits, which may reduce the Storm Water Utility User Fee that is imposed in Section 15.06.060A., above.

H. **Storm Water Utility User Fee Request for Recalculation**. If the owner of Residential Property or Nonresidential Property, for which a Storm Water Utility User Fee has been imposed disagrees with the calculation of the Storm Water Utility User Fee imposed upon such owner's property, the owner may request a recalculation of the fee.

I. **Procedure**. Requests for credit or recalculation must be submitted, in writing, by the owner of Residential Property or Nonresidential Property, for which a Storm Water Utility User Fee has been imposed, to the Director on or before 5:00 p.m. on November 30 of the year for which the credit or recalculation is requested. The owner shall provide information substantiating the request, including detailed calculations of the amount of credit requested and the basis therefor or evidence of a mistake in initial fee calculation. The Director shall issue a determination in writing within 15 days of the receipt of the request.

Section 2. Existing Overland Park Municipal Code Section 15.06.060 is hereby repealed.

Section 3. It is hereby declared to be the intention of the Governing Body that the sections, subsections, paragraphs, sentences, clauses and phrases of this Ordinance are severable, and if any phrase, clause, sentence, paragraph, subsection or section of this Ordinance shall be declared unconstitutional or otherwise invalid by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality or invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, subsections and sections of this Ordinance, since the same would have been enacted by the Governing Body without the incorporation into this Ordinance of any unconstitutional or otherwise invalid phrase, clause, sentence, paragraph, subsection or section.

Section 4. Nothing in this Ordinance shall be construed to affect any notice of violation, suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed as set forth in this Ordinance; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 5. This Ordinance shall take effect and be in force as of the date of its passage, approval and publication as provided by law.

PASSED by the City Council this 6th day of July, 2026.

Persons owning or otherwise in control of said properties are hereby required to abate the violation within 10 days from the date of this notice. Failure to comply with this notice will result in the City taking steps to abate the violation. Any abatement costs incurred by the City plus administrative fees will be assessed against the property. Failure to pay such assessment within 30 days of the notice of assessment shall result in the filing of a tax lien against the property, or litigation to recover costs, or both.
Separate from and independent of any abatement actions, the said violations may be subject to prosecution in Overland Park Municipal Court.
Prior to the expiration of the notice period, the owner, Occupant or Agent of the property may request in writing a hearing before a Hearing Officer.
No further notice is required to be given by the City prior to the abatement of any additional violations on the property for 1 year from the date of the notice of violation.
