WHEREAS, in accordance with the requirements of K.S.A. 19-2956 *et seq.*, the Planning Commission again commenced a review of the Plan to determine whether any amendments, extensions, or additions to the Plan are necessary or advisable and for the purpose of implementing policy changes within the Plan, relating to updates to the designations of certain routes of the Comprehensive Arterial Road Network Plan (CARNP) and to providing guidance for considering housing types within unincorporated Johnson County; and

WHEREAS, upon review of the Plan, the Johnson County Planning Commission determined it to be in the best interest of the citizens of Johnson County to amend the Plan; and

WHEREAS, the Planning Commission held a public hearing on September 23, 2025, to receive public comments and testimony regarding whether certain amendments should be made to the Plan, including:

WHEREAS, the Planning Commission also recommended to the BOCC that following the adoption of the amendments, updates, and revisions to the Rural Comprehensive Plan, that said amendments, updates and revisions should be reformatted, as may be necessary, and thereafter published; and

WHEREAS, on or about January 15, 2026, the BOCC at a Committee of the Whole meeting considered and discussed the recommendation of the Planning Commission and remanded the matter back to the Planning Commission for further study, consideration and modification; and

WHEREAS, on February 24, 2026, the Planning Commission reconsidered the matter and failed to make a recommendation responsive to BOCC directives, resulting in a resubmittal of the Planning Commission original October 28, 2025, recommendation to the BOCC for final action thereon; and

WHEREAS, having had an opportunity to review and consider the recommendations of the Planning Commission, and the record, submitted evidence, comments and testimony regarding the same, and having thoroughly discussed the matter, the BOCC concludes it is in the best interest of the public's health, safety and welfare that it adopt certain amendments to the Rural Comprehensive Plan.
