RESOLUTION NO. 069-26

A RESOLUTION ESTABLISHING THE QUALIFICATIONS AND APPOINTMENT PROCESS OF MEMBERS TO THE JOHNSON COUNTY PLANNING COMMISSION

*****

At a regular meeting of the Board of County Commissioners of Johnson County, Kansas, ("Board") held on Thursday, July 16, 2026, there came before the Board for consideration the matter of establishing the qualifications and appointment process of members to the Johnson County Planning Commission ("Planning Commission") due to the consolidation of the West Consolidated Zoning Board and the East Consolidated Zoning Board into a single consolidated zoning board.

The Board, being fully advised and after thorough discussion and careful deliberation, upon a motion duly made, seconded, and carried, adopted the following Resolution No. 069-26:

*****

WHEREAS, pursuant to K.S.A. 19-2957, the Board on September 6, 1984, adopted Resolution No. 130-84, establishing the Planning Commission and on March 17, 1994, the Board adopted Resolution No. 19-94 establishing the Zoning and Subdivision Regulations for Johnson County codifying the creation of the Planning Commission; and

WHEREAS, the Zoning and Subdivision Regulations provide that the Planning Commission, as established by the Board, shall consist of twelve (12) members, nine (9) of whom shall be residents of the unincorporated area of Johnson County and three (3) shall be residents of the incorporated area; and that at least one (1) member of each Consolidated Zoning Board shall be a member of the Planning Commission; and

WHEREAS, during a Committee of Whole held on November 20, 2025, the Board reviewed and considered the study of the Planning Department relating to the consolidation of County zoning boards and qualifications and appointment process of members to the County zoning boards and planning commission.

WHEREAS, the Board considered the consolidation of the West Consolidated Zoning Board and the East Consolidated Zoning Board into a single Consolidated Zoning Board, along with the establishment of qualifications and an appointment process for its members; and

WHEREAS, on February 12, 2026, the Board adopted Resolution 023-26 approving the creation of the Consolidated Zoning Board to serve in an advisory capacity by providing recommendations to the Board regarding subdivision plats, development plans, rezonings, conditional use permits, special permits, and accessory dwelling unit applications for property located in the unincorporated and non-city-regulated areas of Johnson County.

WHEREAS, the Board finds that the Planning Commission is a legislative body for all of the unincorporated area in Johnson County and it is in the best interest of the public for the Board to modify the composition of its members and divide the nominations of members to the Planning Commission among all Board members to align the creation of the Consolidated Zoning Board under Resolution 023-26.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Johnson County, Kansas, that:

1. The Planning Commission shall consist of twelve (12) members who are appointed by the Board. Nine (9) Planning Commission Members shall be residents of the unincorporated area of the County and three (3) of the twelve (12) members shall be residents of the incorporated area of the County.

The Bonds shall be general obligations of the City payable as to both principal and interest from special assessments levied upon the property benefited by the construction of certain improvements, from current revenues of the City authorized for such purpose, and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the City. The full faith, credit and resources of the City are irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 3. Terms, Details and Conditions of the Bonds. The Bonds shall be dated and bear interest, shall mature and be payable at such times, shall be in such form, shall be subject to redemption and payment prior to maturity and shall be issued and delivered in the manner prescribed and subject to the provisions, covenants and agreements set forth in the Resolution adopted by the Governing Body of the City.

Section 4. Levy and Collection of Annual Tax. The Governing Body of the City shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by levying and collecting the necessary taxes and/or assessments upon all of the taxable tangible property within the City in the manner provided by law.

The taxes and/or assessments above referred to shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the general ad valorem taxes of the City are levied and collected, and the proceeds derived from the taxes and/or assessments shall be deposited in the Bond and Interest Fund.

If at any time the taxes and/or assessments are not collected in time to pay the principal of or interest on the Bonds when due, the City Treasurer is authorized and directed to pay the principal or interest out of the general funds of the City and to reimburse the general funds for money so expended when the taxes and/or assessments are collected.

Section 5. Tax Covenants. The City covenants and agrees that: (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; (2) it will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds; (3) it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued; (4) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code; and (5) it will not use or permit the use of any proceeds of the Bonds or any other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds. The City will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

The City covenants and agrees that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, in a manner that would cause any Bond to be a "private activity bond" as described in the Code.

Section 6. Further Authority. The Mayor, Finance Director, City Clerk and other City officials are further authorized and directed to execute any and all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make alterations, changes or additions in the agreements, statements, instruments and other documents approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 7. Governing Law. This Ordinance and the Bonds shall be governed exclusively by and construed in accordance with the applicable laws of the State.
